**Mail Stop Missing Parts**  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

In response to the Office Communication dated December 12, 2006, the following enclosures are transmitted herewith to be filed in the patent application referenced above:

- Sequence Submission Statement in 1 Page;
- Copy of the Office Communication dated December 12, 2006 in 2 pages;
- Return Postcard.

The Communication dated December 12, 2006 states that the paper copy of the sequence listing included with Applicants' Response filed September 26, 2006, failed to contain Statement verifying that the paper copy of the sequence listing is the same as the electronic sequence listing originally filed. In Response, Applicants submit a Statement verifying that the paper copy of the sequence listing submitted September 26, 2006 is the same as the electronic sequence listing originally filed.

Docket No.: GNE.3230R1C61  
App. No.: 10/063,587

**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

The reply filed on 9/29/04 is not fully responsive to the prior Office Action (6/27/06) because of the following omission(s) or matter(s): Applicant has not fully complied with the Sequence Rules, 37 CFR 1.821-1.825. This application contains sequence disclosures that are encompassed by the definitions for nucleotide and/or amino acid sequences set forth in 37 CFR 1.821(a)(1) and (a)(2). However, this application fails to comply with the requirements of 37 CFR 1.821 through 1.825 for the reason(s) set forth below or on the attached Notice To Comply With Requirements For Patent Applications Containing Nucleotide Sequence And/Or Amino Acid Sequence Disclosures. Applicant has provided a paper copy of the sequence listing but fails to state that the computer readable form and the paper copy are the same and that no new matter is added. A statement that the content of the paper and computer readable copies are the same and, where applicable, include no new matter, as required by 37 C.F.R. 1.821(e) or 1.821(f) or 1.821(g) or 1.825(b) or 1.825(d). Appropriate correction is required. See 37 CFR 1.111.

Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a)

**Advisory**

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Nirmal S. Basi whose telephone number is 571-272-0868. The examiner can normally be reached on 9:00 AM-5:30 PM. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Gary Nickol can be reached on 571-272-0835. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
